LANSING EVERETT HIGH SCHOOL
3426 South Cedar Street
Lansing, Michigan

FOREWORD

September, 1954, and a new school year lies ahead. Into this period of nine and a half months will be many memories that will long be cherished. In the pages that follow the *Archives* staff of 1954-1955 endeavor to present an account of the year's happenings.

A new school year begins with meeting the administrators, teachers, and pupils. A class schedule is given to each pupil, and the year's study program gets underway; therefore, in this volume the departments get next consideration. Lasting friendships are formed in the school clubs and sports. At Lansing Everett High School there are clubs and sports to interest every individual. These activities are presented according to the seasons inasmuch as the School Year and its changing events forms the thread of continuity throughout this book.

DEDICATION

The *Archives* staff of 1955 is very happy to dedicate this book to Mr. Lester Strickler. For the past eleven years he has worked hard to better Everett High School. He has been untiring in his work with pupils, helping them to prepare themselves for the outside world. He is a teacher upon whom everyone can always rely to do anything that must be done. It is thus a privilege for us to honor Mr. Strickler in this way.

MEET THE ADMINISTRATION...

Dr. Dwight H. Rich
Superintendent of Schools

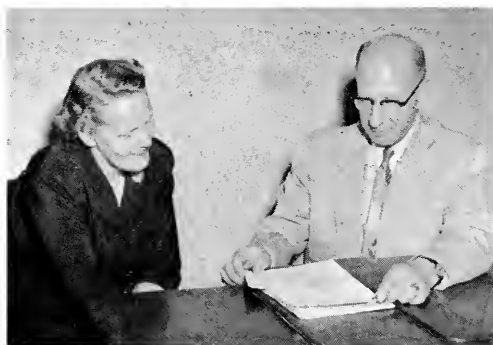

Dr. Forrest G. Averill
Deputy Superintendent of Schools

Mr. Stephen A. Partington
Assistant Superintendent
of Schools

Mr. Harold Jacobson
Director of Pupil
Personnel

Left to Right: Miss Elfie Christenson, Assistant Principal; Mr. Benjamin Leyrer, Principal

Dr. Rich, Dr. Averill, Mr. Partington and Mr. Jacobsen are the chief administrators of the Board of Education. Each one has a very specific and important job and each one fulfills it to the best of his knowledge.

Everett High School is very proud to have as Principal, Mr. Benjamin Leyrer and as Assistant Principal, Miss Elfie Christenson. Both have a sincere interest in boys and girls and in working with their problems.

One of the main factors in keeping our school system running is the Board of Education. Today they are faced with many problems in building and operating a school system for the pupils enrolled in the Lansing Public Schools.

The purpose of the student government is to give help to the school and to improve relations among pupils, faculty, and parents. This year the student government has promoted school dances and arranged for assemblies put on by outside groups. They have worked to improve the appearance and safety of the school and grounds. They are working on a project which will contribute to the care of a needy Korean child. The school clubs are being asked to help raise the money necessary to send to the Korean war orphan.

Organized in the spring of 1954, Everett's Honor Society symbolizes one of the highest goals to be attained in high school.

The members of this organization are selected by a faculty committee. Not only does the prospective member have to have a high "B" scholastic average, but he must also have shown his ability in leadership. His service to school and community and his character are ranked high among other qualities. Everett can certainly be proud of these members.

FALL . . .

During the fall of 1954, the Vikings of Everett High School set new records in football and cross country. The senior play, "My Cousin from Texas," was one of the highlights of the season. The Everett Marching Band made several public appearances. They performed on the field before and at the half of every home varsity football game. They appeared in the General Motors Parade, the Christmas Parade, the Junior Chamber of Commerce Parade, and the Veterans Parade. The band also was featured in the spotlight of the Everett Christmas Concert.

The aim of the cheerleaders is to build good school spirit at our games and pep assemblies. Everett is proud of the fine job its squad has done this past year.

The group is composed of six veterans and six new members who were elected by a faculty board. Final choice was based on cheerleading ability, scholarship, and character.

Left to Right: M. Allmon, Miss Hult, Adviser, S. Odell.

At the beginning of the school year, the cheerleaders practiced every night after school under the direction of Miss Margaret Hult. Gradually the meetings were cut down to one or two a week.

They earned money to buy new uniforms for the varsity squad and new slacks for the reserves.

WINTER . . .

Winter found basketball and wrestling highlighting the sports at Everett. Both have had exceptionally good seasons. New clubs and old ones continue their activities. The outstanding social event was the Junior Prom, "From Here to Eternity." The dancers swayed gracefully, surrounded by glittering angel hair and fluffy white clouds. It was all very beautiful.

Everett High School's Vikings ended the season tied for second place with Grand Ledge in the Capital City Circuit. They won eight games and lost four. Two of these losses was by the slim margin of one point. Two very exciting and hard-fought games were lost to St. Mary by one point in overtime play. Within the Capital Circuit, Everett gave Holt its only setback on February 18 when the Vikings broke the Rams' winning streak by defeating them with a score of 71 to 59. In the Everett-Howell game, Gerald Hause scored 39 points which broke the previous school record of 36 points made by any one player in a single game.

This is a good recreation. The class shows the pupil that he can play well after a semester of learning.

SOLO AND ENSEMBLE CLUB

The Solo and Ensemble Club has one main purpose; that is, to pick several groups of singers and instrumentalists. On February 14, 1955, a group of soloists and a quartet went to Hudson, Michigan, to a contest. Gary Phreed took first place on the trombone; Gary Eversole took first on the saxophone; the Clarinet Quartet took first; and two clarinet players, Carole Johnson and Norveda Lunde, took second division. This same group entered the state contest at Ann Arbor after qualifying in the district contest at Hudson.

The Key Club is a high school boys' organization based on the principles of the Kiwanis Club. It received its charter in May, 1954, and its purpose is to serve school and community. This year the club organized and operated a book store to aid in the exchange of used books. The boys packaged and sold peanuts to raise money for school projects. They also sold Viking jackets and printed programs at the games to raise money and stimulate school spirit. In the fall they assisted the Kiwanis Club with the football banquet.

GIRLS' LEAGUE

The Girls' League has been working this year on helping the Everett girls to become more a part of the school with the emphasis on companionship. They helped a needy family at Christmas. The Presentation of Roses in the spring is arranged by the Girls' League. Also they have been working on money-raising projects to raise money to help the Korean war orphan.

Dear Mr. Crane,

I've certainly enjoyed
being in band class &
hope to be here for
the next two years.
There have been times
I've rather doubted
about continuing but
not really. I'll try
some solos next year
just for you.

Carol Johnson

Wow Mr. Crane,
To the best music
teacher that I have
ever had and will
ever have. I am a very
low-down student.

Dear Mr Crane,

I have tremendously
enjoyed working with
you this year. You
have always been, and
will always be, my
favorite teacher. I think
a lot about you. You
are kind & courteous to
all your pupils. Surely a
heart as kind as yours
is sure to reign over all.
